

3. I'd advise one to take the issue of health issues/problems that the potential spouse has or any history of family health issues

4. I'd advise one to check on the general culture her household/family uphold; in general

Why?

Only because there are certain cultural practices that some individuals cannot be patient with; and one should not knowingly harm themselves

- wa Allahu A'lam

- And Allah knows best

- Alhamdulillah

wassalaatu wassalaam  
alaa Rasoolillah
